We would appreciate having a statement about your philosophy and work as an artist—either general or something specific about the piece(s) selected for this year's May Show to aid us in the preparation of gallery talks and in the release of publicity materials. For more space, use the back of this sheet.

My work is an attempt to express certain ideas concerning the paradoxical interface/continuum between energy and matter, essence and existence, microcosm and macrocosm. It concerns levels/dimensions of experience, their simultaneity and complementarity, and the illusory and transient nature of consensus reality.
